June 21, 1811, a part of Medford was annexed to Charlestown.

The town of Medford was incorporated as a city in 1892.

Population by Census: 1765 (Prov.), 790; 1776 (Prov.), 967; 1790 (U.S.), 1029; 1800 (U.S.), 1114; 1810 (U.S.), 1443; 1820 (U.S.), 1474; 1830 (U.S.), 1755; 1840 (U.S.), 2478; 1850 (U.S.), 3749; 1855 (State), 4603; 1860 (U.S.), 4842; 1865 (State), 4839; 1870 (U.S.), 5717; 1875 (State), 6627; 1880 (U.S.), 7573; 1885 (State), 9042; 1890 (U.S.), 11079; 1895 (State), 14474; 1900 (U.S.), 18244.

EXPLANATIONS.

1. When places other than Medford and Massachusetts are named in the original records, they are given in the printed copy.

2. In all records the original spelling is followed.

3. The various spellings of a name should be examined, as items about the same family or individual might be found under different spellings.

4. Marriages and intentions of marriages are printed under the names of both parties. When both the marriage and intention of marriage are recorded, only the marriage record is printed; and where a marriage appears without the intention recorded, it is designated with an asterisk.

5. Additional information which does not appear in the original text of an item, i.e., any explanation, query, inference, or difference shown in other entries of the record, is bracketed. Parentheses are used only when they occur in the original text, or to separate clauses found there — such as the birthplace of parents, in late marriage records.
